- vi. Earnest Money Deposit must accompany all tender offers as specified in this tender document. EMD amount should accompany the Technical Bid.

- vii. All Schedules, Formats, Forms and Annexure should be stamped and signed by an authorized official of the bidder.
- viii. The bidder is expected to examine all instructions, forms, terms and conditions and technical specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the bidder's risk and may result in rejection of the bid.
- ix. No rows or columns of the tender should be left blank. Offers with insufficient information are liable to rejection.
- x. The bid should contain no insertions, erasures or over writings.

## **12. Submission of Bids**

The Bank expects the bidders to carefully examine all instructions, terms and conditions mentioned in this RFP document before submitting its unconditional compliance as part of the RFP. Failure to furnish all information required or submission of an RFP not substantially responsive to the RFP in every respect will be at the bidder's risk and may result in the rejection of the bid

## **13. Corrupt and Fraudulent practice.**

The Bidders shall observe the highest standard of ethics during the procurement and execution of such contract and shall not indulge in any corrupt and fraudulent practice.

“Corrupt Practice” means offering, giving, receiving or soliciting of anything of value to influence the action of an official in the procurement process or in contract execution.

“Fraudulent Practice” means a misrepresentation of facts in order to influence a procurement process or the execution of contract to the detriment of the Bank and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Bank of the benefits of free and open competition.

The Bank reserves the right to declare a bidder ineligible, either indefinitely or for a stated period of time, to be awarded a contract if at any time it becomes known that the firm has engaged in corrupt and fraudulent practices in competing for or in executing the contract.

The bid security of the unsuccessful bidder will be discharged/returned to them within \_\_\_\_\_ days after finalization and award of contract without any interest.

## **14. Bid Validity**

The bid shall remain valid for a period of 180 days after the date of opening of Bid proposal (time period to be fixed by the Bank).

## **15. Amendment of Tender Document**

- i. At any time prior to the deadline for submission of bids, the Bank may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the Bidding documents by issuing amendments/corrigendum.
- ii. Amendments/corrigendum, if any will be notified through Bank's e-Tendering portal and will be binding on all prospective bidders. No separate intimation will be given in this regard.
- iii. In order to provide the prospective Bidders with reasonable time to take into account any amendments, the Bank may, at its discretion, extend the deadline for submission of bids. In such case, all rights and obligations of the Bank and bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

- iv. Erasures or alterations after submission of bids will not be permitted and such requests will not be entertained by the bank.

#### **16. Principles for Evaluation**

- i. The Bank will examine the bids to determine whether they are complete, whether any computational errors have been made, whether all required information have been provided as underlined in the bid document, whether the documents have been properly signed, and whether bids are generally in order. Bids from agents without proper authorization shall be treated as non-responsive.
- ii. The Bank may waive any minor informality or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver does not prejudice to affect the relative ranking of any bidder.

#### **17. Evaluation of Technical Bid**

The Bank's evaluation of the technical bids will take into account the following factors and based on such evaluation the technically qualified bidders will be shortlisted for commercial opening:

- i. Conformation to pre-qualification criteria as per Annexure C (Compliance to Eligibility Criteria).
- ii. Compliance of terms and conditions stipulated in the RFP duly supported by certified documentary evidence called for therein.
- iii. Submission of duly signed compliance statement as stipulated in annexure and any write-up/brochures mentioning their infrastructure facilities.
- iv. Review of written replies submitted for the clarifications sought by the Bank, if any.

#### **18. Evaluation of Commercial Bid**

- i. Commercial bids of only technically qualified short listed bidders will be opened and evaluated.
- ii. Bank's evaluation of the Indicative commercial bids will take into account the status of compliance of terms and conditions.
- iii. The Bank shall be under no obligation to accept the lowest or any other offer received in response to this tender.

#### **19. Bank's Right to Accept or Reject Any Bid or All Bids**

The Bank reserves the right to accept or reject any bid and annul the bidding process and reject all bids at any time prior to award of contract. Bank will have no liability towards the bidder or bidders affected as such or any obligation to inform the affected bidder or bidders about the ground for the purchaser's actions.

#### **20. Result Notification**

All bidders will be communicated of any decision made with respect to their RFP response as soon as practical. Bank will not be obliged to provide reasons for acceptance/ rejection of any response.

#### **21. Format for Technical Offer**

The Technical Offer should be made in an organized, structured and neat manner.

The suggested format for submission of Technical Offer is as follows:

- Covering letter as per Annexure B
- Compliance to Eligibility Criteria as per Annexure C
- Other documents as mentioned at Clause 5-page no. 7 & 8.

Besides these, self-attested copies of all documents in support of Eligibility Criteria mentioned in this RFP are to be uploaded.

**22. Undertaking by successful Bidder**

The successful bidder must give an undertaking that all components to be used for parts replacement will be original and not re-furnished. This must be submitted along with the Invoices. The Successful bidder shall further, at its own expense, defend and indemnify the Bank against all third party claims for infringement of patent, trademark, design or copyright arising from use of proposed product/products or any part thereof.

**23. Reverse Auction**

In order to reduce the time involved in the procurement process, Bank shall be entitled to complete the entire procurement process through a reverse auction. The Bank shall however, be entitled to cancel the Reverse Auction process, if in its view procurement or Reverse Auction process cannot be conducted in a fair manner and / or in the interest of the Bank.

**24. Service Level Agreement (SLA)**

After allotment order is issued to successful bidder, the successful bidder will be required to sign a service level agreement (Annexure – A) with the bank wherein all terms and conditions governing the parties will be mentioned within \_\_\_\_\_period.

**25. Performance Bank Guarantee:**

The successful Bidder is required to submit a performance Bank guarantee amounting to 3% of the contract value valid for the period of contract with the Bank before signing of service level agreement with the bank.

**26. Cost of Bidding**

All costs and expenses incurred by interested bidders in any way associated with the development, preparation and submission of responses; including but not limited to the attendance at meetings, discussions, demonstrations etc. and providing any additional information required by Maharashtra Gramin Bank will be borne entirely and exclusively by the bidder.

**27.** The relationship between the bank and successful bidder shall be on principal to principal basis. Any employee deputed by the successful bidder for completion of this assignment shall have no employer-employee relationship with the bank and shall have no claim of whatsoever nature regarding any dispute between such employee and the successful bidder.

**28.** The bank will be within its rights to ask the bidder to furnish any document at any point of time during technical evaluation and failure on part of bidder to do so within specified time may lead to rejection of his bid.

**29.** Each bidder having responded to this RFP acknowledges to have read, understood and accept the selection and evaluation process mentioned in this RFP document. The bidder ceases to have any option to object against any of these processes at any stage subsequent to submission of its responses to this RFP.

- c) During the AMC period, the “Company” will be required to keep the Note Counting Machines in 100% working condition. In the event of replacement of any part of the system, it should be done with a part of equivalent or higher quality which is compatible with the system.
- d) The “Company” will have to hand over the machine in 100% working condition on the termination or end of the Contract. Any Breakdown call that has been reported before the termination of the Contract will have to be rectified by the “Company” before handing over the machines to the BANK.
- e) The “Company” shall be required to depute skilled/ qualified and experienced resource to the premises where the Note Counting Machines is placed on the same working day with the time frame not exceeding 6 hours in any case. The faults, if any, in the said Note Counting Machines shall be required to be rectified within a time frame not exceeding 24 hours in any case.

### **4. Preventive Maintenance**

Preventive Maintenance shall be provided to ensure that the Note Counting Machines are maintained in good operating condition as per the Specifications during the terms of the Agreement, and includes the provision of labour, and traveling time as deemed necessary by “Company” at no extra charges to the Bank.

- a) The preventive maintenance shall be done at least once on quarterly basis. In exceptional cases, the “Company” shall determine the frequency and duration of Preventive Maintenance where same is required more than once in a quarter.
- b) During preventive maintenance the “Company” shall replace the components of the Note Counting Machines as per the prescribed scheduled for wear and tear and other usage factors if any.

c) The “Company” shall coordinate in advance with the concerned officers/ officials of the concerned site for the suitable day and time for such preventive maintenance.

**5. Immediate replacement of faulty parts/ equipment:**

Whenever any complaint for the parts/components of the Note Counting Machines is logged by the BANK, the service engineer of the “Company” who attends to the complaint must invariably carry a spare of such part of the Hardware and should replace the same immediately, if required.

6. The invalidity or unenforceability of any provisions of this agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of the Agreement in such jurisdiction or the validity, legality or enforceability of this agreement, including any such provision, in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

7. This Agreement is on a principal-to-principal basis between the parties hereto. Nothing contained in this Agreement shall be construed or deemed to create any association, partnership, or joint venture or employer-employee relationship or principal-agent relationship in any manner whatsoever between the parties.

8. The Service Provider undertakes to keep the Maharashtra Gramin Bank indemnified in case of any loss or damage howsoever arising out of or related to breach of contract, statutory duty or negligence by the Service Provider in his performance of the contract.

**9. Relocation and Shifting**

The relocation/ shifting of the Note Counting Machines involving vehicular transportation shall be done by Service Provider at Bank’s Cost. The Note Counting Machines shall continue to remain within the scope of warranty / AMC for the transit period.

**10. Access**

“Bank” shall provide full access to the Note Counting Machines to the authorized personnel of “Company” during working hours. In case the “Company’s” personnel require access for any breakdown call after working hours, the company shall make a request on phone or by any other means for such access to the concerned person at the site.

11. In the event, the company fails to provide the AMC services to Bank within the agreed timelines, the Bank shall be entitled to invoke the Performance Bank Guarantee furnished by the Company to the Bank.

**12. Standby Arrangements.**

In case of major fault when Note Counting Machines cannot be set right within a maximum period of 12 hours from the time call is lodged & where shifting of Note Counting Machine thereof to the workshop becomes necessary, the service provider will have to provide a substitute Note Counting Machine of appropriate specification without charging any rent etc., well before Business hours of the Bank on the next working day. However, the Bank may provide reasonable carriage charges for the same. In case the bidder fails to provide a standby Note Counting Machine within prescribed time, the Bank will be at its discretion to obtain a standby Note Counting Machine set on its own, till the time the Note Counting Machine is set right in working condition and rental charges on such Note Counting Machine shall have to be borne by the Bidder. Besides, the Bank may levy a penalty equivalent to 2% of quarterly AMC amount for every 1% fall in uptime subject to a maximum of 10% of quarterly AMC

amount of that equipment, in case it is ascertained that unnecessary delay in repairing of such Note Counting Machine has been caused by the vendor. (Refer Clause 11)

**13. Liquidity Damages:**

Liquidity damages shall be imposed in case of total uptime of individual Note Counting Machine is less than 98.8% during the Quarter.

Total available time in a quarter i.e.  $90 * 24 = 2160$  hours per quarter.

For every fall of 1% in uptime, the Bank may deduct 2% of quarterly AMC payment payable of that equipment. In case of any prolonged down time of the Note Counting Machine, Bank shall have the discretion of engaging any other alternate service provider for rectification of the fault at the sole risk, cost and responsibility of defaulting vendor and may also warrant forfeiture of security amount/ invoking of Performance guarantee.

**14. Indemnity**

The Company hereby undertakes to indemnify the Bank and get it indemnified against any loss, damages suffered and claims, actions/suits brought against the Bank on account of any act or omission on the part of the service provider, its agent, representative, employees and sub-service providers. The service provider hereby undertakes to defend and indemnify the Bank at its own expenses against all third party claims and extinguish the same expeditiously.

In case the Bank is required to pay compensation to a third party resulting from such infringement/act/omission, the Service Provider shall be fully responsible to pay such compensation along with all costs, damages including the attorney fees and other expenses that a court may finally award. In the event service provider fails to fulfil its obligations under this clause within the notice period issued by the Bank, the Bank shall be entitled to recover the amounts due to it under this provision from the amounts payable to the service provider under this arrangement without prejudice to other rights and remedies available to Bank for recovery of the amount as per law.”

**15. Arbitration and Dispute Resolution**

In case of any dispute arising upon or in relation to or in connection with this agreement between parties, the disputes shall at the first instance be resolved through negotiations. If the dispute cannot be settled amicably within fourteen (14) days from the date on which either party has served notice on the other of the dispute; then any party can submit the dispute for arbitration under Arbitration and conciliation Act, 1996 through Arbitrator mutually appointed by both the parties.

The place of arbitration shall be Chhatrapati Sambhajnagar, Maharashtra and the language of the arbitration proceedings and that of all the documents and communications between the parties shall be English.

The decision of the arbitrator shall be final and binding upon the parties. The expenses of the arbitrator as determined by the arbitrator shall be borne equally by both the parties.

**16. Applicable Law and Jurisdiction**

This agreement shall in all respects be governed by and construed in accordance with the laws of the Maharashtra State read with applicable laws of India. The courts in Chhatrapati Sambhajnagar shall have exclusive jurisdiction in relation to this agreement.

**17.** All notices or other communication under or in connection with this agreement shall be given in writing and may be sent by personal delivery, or post or courier or email. Any such notice or other communication will be deemed to be effective if sent by personal delivery, when delivered, if sent by post, five days after being deposited in the post office and if sent by courier, three days after being deposited with the courier and if sent by mail (on receipt of confirmation).

**18. Force Majeure**

- i. The Selected Bidder shall not be liable for forfeiture of its performance security, Liquidated damages or termination for default, if any to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.
- ii. For purposes of this Clause, "Force Majeure" means an event explicitly beyond the reasonable control of the company/firm and not involving the companies/firms fault or negligence and not foreseeable. Such events may be due to or as a result of or caused by act of God, wars, insurrections, riots, earthquake, fire, revolutions, civil commotion, floods, epidemics, quarantine restrictions, trade embargos, declared general strikes in relevant industries, satellite failure, act of Govt. of India, events not foreseeable but does not include any fault or negligence or carelessness on the part of the parties, resulting in such a situation. In the event of any such intervening Force Majeure, either party shall notify the other in writing of such circumstances or the cause thereof immediately within five calendar days and it cannot be claimed ex-post facto.
- iii. Unless otherwise directed by the Bank in writing, the selected contractor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- iv. In such a case the time for performance shall be extended by a period(s) not less than duration of such delay. If the duration of delay continues beyond a period of **one month**, the concerned Department and the Service Provider shall hold consultations in an endeavor to find a solution to the problem.
- v. Notwithstanding above, the decision of the Bank shall be final and binding on the contractor regarding termination of contract or otherwise."

**19. Amendments:**

Any clause of this agreement may be amended only in the writing after mutual consent of both the parties.

**20. Spare maintenance**

The Service provider shall maintain adequate spares at their own level.

**21.** The condition/ clauses contained in the RFP issued by the Bank in relation to this Service Level Agreement shall be read as supplemental to this agreement. In case of any inconsistency between the two, the covenants contained in the agreement shall prevail.

**22. Payment Terms:** Bank will make payment for AMC services as per the rates finalized in the tender process. These rates will be frozen during the contract period as per RFP terms and conditions and the payment shall be made quarterly by the respective regional offices on the completion of each quarter after deducting TDS, and applicable taxes subject to the submission of Preventive Maintenance certificate/ service Reports duly signed by the respective Branch Heads/ Any authorized person of the Bank.

**23.** This Agreement has been signed in duplicate, each of which shall be deemed to be an original.
